

**REPORT ON THE CLASS ASSEMBLY OF IX – D DURING THE ACADEMIC YEAR 2023 -24**

**Class Teacher: Ms. Heleena. S**

**Date: 16.08.2023 (Wednesday)**

**Timing: 8.30 a.m. to 9.00 a.m.**

**Class Strength: 38**

**Topic: How School Inculcates Love For The Natural Environment**

The Assembly programme began with the D.A.V Gaan followed by Gayatri Mantra seeking the blessings of Almighty. An energetic welcoming rap was presented by IX D Felix band to appreciate the presence of our Respected Principal Madam Mrs. Minoo Aggarwal, Academic Coordinator Mrs. Rema Devi, Supervisory In charges Mrs. Sujatha, Mrs. Uma. S, Teachers, Parents and all students.

The theme of the assembly was presented through different elements – Speech, Experiments, Quiz, Skit. Song and Dance.

**‘Botanical Time Travellers’**- Students shared their authentic life experience regarding their love for Nature which was nurtured within them by school through various activities.

**‘Masterminds Techriculture’**- Students displayed their prowess in technology, mechanics and creativity by presenting their models designed to assist in the protection of the Natural Environment. The students exhibited models of Hydroprobe X designed to customise the supply of water to plants based on their need and Sunsync X, featuring a mobile solar panel that tracks the sun to harness light energy and minimise energy loss.

**‘Nature Trivia Quiz’**- An exhilarating quiz session was organised to assess audience profound understanding on Nature followed by **‘Koffee with Elon Musk’** - an engaging and witty session focussed on the school’s earnest endeavours in nature conservation.

**‘Saviours of Nature – DAVites’** A concise skit was displayed highlighting schools’ contribution in instigating values like environment conservation and empathy towards all living beings through various celebrations like World Water Day, World Environment Day, World Ozone Day, World Biodiversity and Forest Day.

**‘Green Glam Show’**- An elegant fashion parade orchestrated by students, showing their creations that embody the principles of the 5 R’s – Refuse, Reduce, Reuse, Repurpose and Recycle promoting a more responsible and sustainable approach, contributing to the protection of our environment and the well-being of future generations.

**‘One Child One Tree campaign’** was organized as a part of the assembly where every student of IX- D planted a tree and took an oath to safeguard Mother Nature.

A captivating and pleasing song based on the beauty in nature was a rhythmic treat followed by dance on the five elements. The programme ended with a thanking note by students to each and every one who supported and motivated them to showcase their skills and talents through their class assembly.

An Energetic Welcome Rap
