

SOCIAL EMPOWERMENT THROUGH WORK EDUCATION AND ACTION (SEWA)

Report on "Care for Homeless Children"

Identifying underprivileged children who are kept in shelters and lack basic amenities and facilities was our task. Our team of 39 students across classes XI and XII in collaboration with the School Management visited the Sewa Samajam Home situated in Adyar, Chennai.

In preparation towards this event, the students also gathered donations, which they handed over to the institution's authorities.

After first interacting with the Trustee of the Home and Head Mistress of the Home, the contingent observed a class held for the primary students. We marveled at how different their teaching methods were from our own.

Shifting their focus to the secondary classes, the students conducted a small melee of events to entertain the students. Seeing big smiles all around filled everyone's hearts with warmth.

After spending 2 quality hours, the students bid adieu to the orphanage residents. Deeply inspired by the visit, they endeavoured to further help those in need.
