

SOCIAL EMPOWERMENT THROUGH WORK EDUCATION AND ACTION (SEWA)

Report on "Road Safety Awareness"

The 'Road Safety Patrol' (RSP) members volunteered to regulate the traffic outside the School premises. The team of RSP members along with the Physical Education Trainers and Mentors, took up posts at the Front Gate and Back Gate of the School.

Traffic regulation and barricades ensured that the flow of all vehicles was smooth. The courteous volunteers sought co-operation of the students, parents and the drivers to stop vehicles before the restricted area and not too close to the School gates.

The activity not only sensitized the volunteers about the difference their role made to the 'law and order' on road but also encouraged the stakeholders to maintain 'road discipline'.

Each day more than 5 members discharged the responsibility at vantage points. On one of the days, the Principal, Mrs. Minoo Aggarwal also rendered her support. She also imparted simple lessons to the students.

While on duty we had to adorn the paraphernalia too, line up for the command from the mentor and administer the oath to carry out our duty in all religiosity.
