## Dear Parents

It is our pleasure to have your child with us. I congratulate you on the success of your ward in the examination.

Parent Teacher co-operation is essential to ensure the complete and harmonious development of the child's personality.

Let us at school and you at home; create for our children an environment which is conducive for their growth into integrated personalities. Kindly help us in ensuring the following:

- The new session will start from 2<sup>nd</sup> April 2015.
- **School Timings:**

|                    |               |                         |
|--------------------|---------------|-------------------------|
| Monday to Saturday | Nur. to U.KG. | 8:00 A.M. to 12:00 Noon |
|                    | Ist to XII    | 8:00 A.M. to 2:00 P.M.  |
- Students must be punctual. Parents should see that their ward must reach the school ten minutes before school time.
- Students must come in proper, smart and neat uniform.
- Parents must ensure that the child maintains personal hygiene, sleep for 8 hours daily, has a balanced diet and avoids consumption of ice creams and eatables from road side vendors.
- Students should also bring fruits in their Tiffin. Junk food should be avoided.
- Second Saturday of every month will be a holiday.
- Parents must ensure that their ward should not miss their scholastic and co-scholastic assessments as these are the integral part of Continuous and Comprehensive Evaluation (CCE).
