PTA COMMITTEE MEMBER ELECTION

Dear Parents,

PTA, Parents Teacher Association is a non profit, non- political and non sectarian organization made up of school staff and parents.

Objective of PTA

1. PTA would contribute towards the upliftment and betterment of the students. A PTA member would act as a bridge/ motivator between the parents and the school.
2. We assure the parent, who wishes to become member of PTA that you would be the core committee instrumental in augmenting developmental activities for the benefit of students and school.
3. The PTA members would be pivotal in ascertaining and collaborating with many more such parents who would be active in raising a positive contribution towards the school, in activities such as developmental programs, organizing trips or visits, infrastructure development of the schools, health camps, workshops etc.
4. Suggestions may be flooded in but PTA member would only be involved in analyzing the suggestion, thereby building teams to execute the appropriate suggestion, if any seems relevant.
5. PTA members would act as a motivator to connect the parents for providing and executing suggestions.
6. It has been observed that PTA member parents involved in PTA are often flaked with complaints and are disturbed with petty issues thereby getting provoked to quit from their role. This is to inform that such complaints of parents may be sorted out by the school PTA Secretary, who will be the teacher member of the school. In case of non receipt of any suitable response or if it is ignored by school then the matter may be escalated to higher authorities by the PTA member. Also, parents may send their complaints through mails.
