Dear Parents

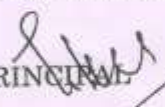

The safety and security of the students is of utmost priority to us. It has been observed that autorickshaw, private vans etc. drop the children to school earlier than the given time i.e. 07.20am. The parents of the non-bus users are reiterated to strictly adhere to all the rules laid down by the Supreme Court. For the safety of your ward, you are advised to ensure that :

- Your ward does not travel in illegal commercial vehicles.
- The drivers drop your ward to school between 07.20 a.m. – 07.40 a.m. as the entry from the School Gate is quite restricted.
- Proper Police Verification of Van Drivers have been done.
- Cross check from time to time the authenticity of the documents of the vehicle and the drivers.
- Drivers follow the safety norms and interact with the school authorities in a respectful manner.

As parent, you are requested to volunteer to travel in the vans/autorickshaws on a rotation basis for the safe transport of your children.

We seek your cooperation in this as these guidelines are meant for your child's safety.
