From Principal's Desk :

I feel elated to forward this Annual Calendar for the convenience of the students, the teachers and the parents.

Children are the seeds of future, who need to be nurtured well. Present education system should be implemented so as to cater the needs of children for their all-round development. With this purpose and strong belief we regulate scholastic as well as co-scholastic activities at school. I hope the cooperation of the parents, the maximum involvement of the students in different activities like class room teaching, speeches, quizzes, sports and yoga etc. will help them in all-round development of our students.

**Mr. Vijay Kumar
Principal**
