

Inter-House Planter Making Competition

Grades IV-V

“Creativity is intelligence having fun.” - Albert Einstein

Creativity is the process of bringing something new into being. It empowers students by adding strength to their natural abilities which in turn develops teamwork, productivity and confidence. To make students aware of such possibilities, an ‘Inter-House Planter Making Competition’ was organized on 27 December 2021. Students came up with amazing planter making ideas based upon the practice of utilising best out of the waste. There was creativity exploding in every creation. Enthusiasm showcased by children was appraisable. Such competitions not only provide students a platform to display their vivid ideas but also an opportunity to think out of the box and come closer to nature.
