Date.: 30/3/2022

Dear Parents,

I wish to inform you that after a remarkable, rewarding and enriching journey of 39 years in the school, I finally superannuate on 31 March, 2022.

It has been my singular honour to teach and lead the school as a Principal. I have had the privilege to work with an inspiring Management, caring and dedicated staff, an immensely supportive and motivating parent community and extremely lovable children.

I think we have worked successfully through triumphs and challenges, trials and tribulations and highs and lows. I attribute this to your positive attitude and sense of belongingness towards the institution. The valuable lessons that I have learnt from you have guided me in decision making, planning and execution.

I take the opportunity to express my heartfelt gratitude to you for your enthusiastic support and cooperation, the freedom you gave me to take decisions in the best interest of your wards and especially the trust and faith you reposed in me by handing the custody of your child in my hands. I carry with me the satisfaction of having done the best I could do, to see that year after year thousands of my children flourish as confident and successful people and to make the school the outstanding and thriving school that it is today.

No matter where my future leads me, I shall hold you very close to my heart for the wonderful bonding that you have shared with me.

*You inspired me to fulfill my mission
You allowed me to bring the world to your children
You partnered with me at every step
And were always there to appreciate and help.*

Thank you.

Yours sincerely,

(Mrs. Anita Wadehra)
Principal
