**"Vacations mean a change of pace, a gentleness with ourselves, a time of rest and renewal, and a time to stretch ourselves and encounter new people, new lands, new ways, new options."**

**-Anne Wilson Schaeff**

Dear Parents

Summer vacations have taken a totally different nuance in the current

times. Our children need to be rejuvenated physically, emotionally, and mentally.

Keeping the current scenario in mind, we have carefully designed some activities which will trigger the creative and innovative spirit of our students and keep them fruitfully engaged.

Special Note- Do not rush to complete the homework. Allow children to do it at their own pace and savour each activity to the fullest. Use materials which are readily available at home.

### Tips for Parents

\*Guide your ward to meditate silently for 5 minutes before going to bed and develop the habit of reciting their favourite prayer.

\*Try to exercise regularly with them. Some light exercises, yoga or Zumba will go a long way in making them fit and agile.

\* Plant a garden or even a few window herbs together. \*

Plan meals you can cook together.

\*Motivate children to eat everything that is on their plate and not leave crumbs.

\* Involve them in small household chores like dusting, watering plants, laying the table, clearing the table after meals etc.

\*Encourage them to talk to quarantined family members & relatives on video calls.

\*Make efforts to converse with your child in English.

\*Students can do the written work of all subjects preferably in a 3 in 1 notebook.

BELIEVE  
WE SHALL OVERCOME THE CHALLENGES  
TO EMERGE VICTORIOUS

BE VOCAL

Different types of languages are spoken by people from different regions, but the most important thing is that any language when spoken should be spoken correctly. Since English is a universal language, spoken and understood by people all over the world, we want our children to be proficient in speaking it and for this we need full support and cooperation. We would appreciate if you adhere to the following points:

1. Speak to your child in English. Encourage reading habits.
2. Read out story books and after finishing the story discuss it with your child.
3. Encourage Word Building and Picture Talk.

The teachers are trying to encourage the children to use simple words, phrases and sentences like: -

- May I go to play?
- May I borrow your pencil / eraser / sharpener?
- I have finished my work.
- Madam, may I go to the washroom?
- Madam, may I go to drink water?
- Madam, may I come in please?
- Madam, may I go to wash my hands?
- Madam, may I sit in the front row as I can't see from the back? •
- Madam, please repeat the concept as I'm unable to understand it. •
- Madam, I have lost my shoes / blazer / tiffin box / water bottle etc.
- Madam, I came late as I missed my bus.

- Madam, I'm sorry. I have forgotten to bring my book, note-book, pencil / eraser / drawing book.
- Madam, may I borrow a pencil / eraser / ruler etc. from my partner as I've forgotten to bring it today.
- I am sorry for the delay.
- Could you please shut the door?

Use of magic words like excuse me, sorry, thanks, please.

When asking for something, say "Please."

- When receiving something, say "Thank you".
- If you need to get somebody's attention right away, the phrase "excuse me" is the most polite way for you to enter the conversation.
- When you have any doubt about doing something, ask permission first. It can save you from many hours of grief later.
- When you have spent time at your friend's house, remember to thank his or her parents for having you over and for the good time you had.
- Knock on closed doors and wait to see if there's a response before entering.

Children can be encouraged to use simple words and sentences at home also. For example –

- Mummy, can I help you in the kitchen?
- Mummy, can I lay the table today?
- Mummy, should I help you wash the dishes today?
- Papa, can I help you wash the car?
- Grandma, should I help you in your work?
- Mummy, can I get you a glass of water?
- Papa, I'm sorry I was rude to you.
- Papa, please teach me how to ride a bicycle.
- Mummy, should I cut the salad today?
- Mummy, can you teach me to make cold coffee please?
- Didi, can you help me find my English notebook?
- Wishing people properly – Hello Uncle / Aunty how are you?

Wishing parents and elders - Good Morning, Good Afternoon, Good Evening and Good Night.

If we, as teachers and parents make a sincere effort and pay attention to the above-mentioned points,

We can help our children to learn, to understand and speak English at an early age.
