STRUCTURE STABILITY/SAFETY CERTIFICATE

It is verified that the school building **Block-C** (new construction) of **DAV Centenary Public School, Sector - 6, Bahadurgarh, District - Jhajjar, Haryana-124507** was inspected & found that the building materials used for construction of this School Building are of good quality. The building is structurally safe against earthquake and it is airy and ventilated. It is also necessary to mention here that Block-A & B are old construction and they require structural testing on basis of which structural stability of these blocks can be analyzed. Hence this letter is issued for Block-C (new construction) only and has a validity of one year i.e. up to 22.06.2023 after which fresh inspection shall be conducted for the said building and then structural stability certificate to be issued accordingly.

Notes:

1. This certificate is prepared on client demand and not for use in any legal matter or in any court case in any sense.
2. This letter has validity for one year from the date of issuance of this letter after this time period fresh inspection in this building should be conducted and certificate to be issued accordingly.
3. This letter should be read in reference with site plan on Page no. 02 of 02.
