

KBDAV-7 Celebrates Earth Mother

“April Month” also known as “Earth Month” was celebrated with a myriad of educational and fun-filled activities in the school premises to sensitize the learners towards environmental concerns. A spate of activities marked the event with the whole hearted declaration made to save Mother Earth.

To mark the occasion, an eye-opener skit ‘Jal Hai to Kal Hai’ was presented by Theatre Artists from ‘Mask Academy’ in collaboration with Environment Department and Yuvsatta. The skit highlighted the major concern for three states of India which have already been declared Drought ridden Dry & some more states are on the verge of it. The skit concluded with the educative message that people despite being aware of the fact that 0.3% of water is the available on the Earth, which is ruthlessly wasted, we the citizens of this planet must take urgent preventive measures if we want our future generations not to suffer. The skit was followed by a Quiz and winners from Classes VI to VIII & XI were awarded prizes. A pledge to conserve water and stop its wastage was taken by the teachers and the students. Before winding up the assembly, the Principal of the School, Madam Mrs. Pooja Prakash in her speech emphasized on the importance of Water Conservation.

The students of Class III depicted their concern towards Mother Earth by making fascinating models on Earth & Face masks. Class IV learners enthusiastically prepared colourful Wrist Bands pledging their efforts for the conservation of water. The learners from Class V painted their faces like animals conveying the message 'Save Animals'.

Class IX students participated in a 'Quiz Competition' on the themes 'Indian Heritage', 'Earth Day' that included various interesting rounds as 'Around the Globe', 'Double Trouble', 'Hidden Treasure' & 'Rapid Fire'. A PowerPoint Presentation Competition was held for the students of Class X on the topic 'Carbon Footprints'. The participants not only shared their views about the deteriorating condition of the Earth but also suggested the ways to protect it.

The students made a sincere and dedicated efforts to remain dutiful and assimilate moral values & show respect towards Nature.

KBDAV-7 STUDENTS SENSITIZED ON “PROTECTION OF CHILDREN FROM SEXUAL OFFENCES”

“Bruises fade but the pain lasts forever” – Sexual abuses on children are a big blot on society, it shakes the human consciousness and retards normal health growth of the children.

Keeping in mind the safety of children from Sexual Offences and Assaults, a workshop on ‘POCSO’ was organized for Class VIII Boys at KBDAV-7, Chandigarh on 6th October 2018.

Ms. Niti Mohan, Consultant POCSO, CCPCR; Ms. Tabasum, Child Protection Officer, DCPU and Ms. Sonal, Health Unit Officer took an interactive session which was an Eye-Opener for the learners. Many important issues like Safe and effective use of Internet, Cyber Bullying and Life threatening games were touched upon. The students prepared two skits under the guidance of the trainers which conveyed the message that we should practise self-respect and respect for others. Child Welfare Helpline numbers were circulated by the team and the students were told how and when to use these helpline numbers with the assurance that their identity will be kept confidential. A practical demonstration for using helpline numbers was also given.

Overall it was an enriching session through which the students developed a better understanding about their rights and how to protect them.

KBDAV-7 OBSERVES VIGILANCE AWARENESS WEEK

KBDAV-7 observes Vigilance Awareness Week in its premises with the mission to fight against corruption. Class XI and XII students were engaged to make posters with the theme 'Public Participation in Corruption Eradication'. Students took part enthusiastically and portrayed meaningful messages through their creations.

The young minds astounded all with their innovative and deviceful ideas and concepts. The endeavours by the new generation for the prosperity of the nation and to dream of corruption free nation were a great success. The school looks forward to organize more such activities to inculcate greater awareness on vigilance in public life.
